NEW STAVIC

For a More Dynamic Lifestyle

GET MORE OUT OF LIFE WITH THE NEW STAVIC

The New Stavic brings more fun when you're at play and gets more done when you're at work. It's a true pleasure both to drive and ride in. Go wherever you want to go and take along whatever you need in the New Stavic.

A NEW ASSERTIVENESS

The New Stavic is a statement of rugged individualism. The chiseled bonnet character line adds volume to the front, providing a commanding presence and dynamic feel that the typical MPV lacks. The radiator grille is organically linked to the trapezoidal headlamp assembly.

Radiator grille with front view camera

HID headlamp

Full-bodied bonnet character line

A DISTINCTIVE LOOK

Swing doors all around and a D-pillar set the New Stavic apart from the MPV crowd. You'll fall in love with the distinctive side character line that includes a D-pillar to bring out the luxuriousness of a full-sized vehicle. Wrap-around tail-gate glass and rear quarter glass seamlessly connect the side with the rear and provide the finishing touches to a wide and full-bodied look.

Wide D-pillar

Spoiler with high-mounted stop lamp

Tail lamp assembly

Heated steering wheel

Steering wheel mounted control switches

DRIVING MADE EASIER, SAFER AND MORE FUN

The driver's space comes with the "Supervision" gauge cluster, a trip computer, and heated steering wheel grip. The instrument gauges are backlit by high-illumination white LEDs for enhanced legibility, and they are set at the top of the fascia and in the centre so that the driver's eyes remain focused on the road. Bluetooth connectivity enables the driver to operate the audio system or a mobile phone remotely as well, for greater driving safety, and an HDMI terminal accommodates portable devices, which can be connected to the 7" color display. Camera modules have also been mounted in front and rear to assist in parking and backing up.

Multimedia system with 7" display

Bluetooth hands-free and audio functions

HDMI terminal for a portable device, connectable to the 7" color display

Front view camera

Rear view camera

07 SEATER

The seven-seat configuration provides ample room, easy entry and egress, and superior MPV utility. Travel in groups and in maximum comfort.

All seats facing forward
(accommodates 7 adults very comfortably)

Front and 2nd-row seats flat
(converts into beds for driver and front passenger)

2nd-row seats flat
(maximises space for relaxation)

2nd-row seats folded
(serves as two tables)

2nd- and 3rd-row seats flat
(maximises space to stretch out)

3rd-row seats folded
(increases rear cargo space)

3rd-row seats removed
(maximises rear cargo space)

LOTS OF CARGO ROOM

Your business will blossom with the New Rodius as your workhorse. The spacious interior can carry bigger loads, letting you can get more done faster.

Front-row seats flat
(serves as makeshift beds)

2nd-row seats folded
(serves as two tables)

2nd-row seats folded and 3rd-row seats flat
(provides a wide space to stretch out)

4th-row seats double-folded
(expands cargo space in rear)

09 SEATER

People-moving with room to spare.
The four-row, nine-seat variation
increases your options with plenty of
space for personal items and small cargo.

Accommodates the entire team, half the orchestra or the whole family and then some. Seating for eleven means no one's left behind.

11 SEATER

Front-row seats flat
(serves as makeshift beds)

2nd-row seats flat
(maximises space for relaxation)

2nd-, 3rd-row seats flat
(provides a wide space to stretch out)

4th-row seats double-folded
(expands cargo space in rear)

ADAPTABILITY PERSONIFIED

The New Stavic is an all-around player that can satisfy leisure, work and travel needs. When you get the most out of your vehicle, you are getting more out of your life.

SV220 178ps(130.9kW) 2,157cc

ADVANCED TECHNOLOGIES

The Stavic now offers three great engine choices. The Euro 6-compliant SV220 (2.2L diesel) delivers up to 178ps output, while maximum torque (400Nm) is available from 1400rpm through 2,800rpm, ensuring great responsiveness whenever needed. The SV200 is a 1,998cc diesel power plant delivers outstanding torque (190Nm) at the low end, and the SV320 is a 3199cc petrol powered model.

Manual Mode

5-speed / 7-speed E-Tronic automatic

5-speed / 7-speed E-Tronic automatic

A built-in AI programme to predict the driver's driving habits and assess vehicular status for optimal gear-shifting performance. The Tip Switch provides the responsiveness of a manual transmission, while the Winter Mode enables starts in 2nd gear, preventing slippage on ice or snow. (7-speed E-Tronic automatic with diesel 2.2L engine)

Gear shift indicator with 6-speed manual

6-speed manual

6-speed manual

The wide gear ratio provides more power when starting out and lowers the engine rpm at high speed, for less noise and better fuel efficiency. Self-adjusting technology and concentric slave cylinder extend durability and help to maintain firm pedal force.

ESP (Electronic Stability Programme)

The sophisticated Electronic Stability Programme monitors road conditions and vehicular status, ready to adjust engine output and brake force automatically should the driver be in danger of losing control on wet or icy surfaces or in sharp turns at high speed.

Part-time 4WD

Part-time 4-wheel drive is simple and offers great drivability. Normally, the vehicle is driven by the rear wheels only, lowering fuel consumption because of the lower rolling resistance. The driver can switch the transaxle to four-wheel drive while the vehicle is in motion whenever additional traction is required.

SAFETY A TOP PRIORITY

The New Stavic is equipped with an array of active and passive safety features to keep you and your passenger's safe at all times.

Side airbags are now available for the front row, complementing the frontal airbags for added protection from side impacts

TPMS_Tyre Pressure Monitoring System
The TPMS measures tyre pressure constantly and when abnormality is detected an alert to the driver that reflects the degree of urgency.

NEW STAVIC

PUT MORE INTO YOUR LIFE WITH THE NEW STAVIC

Stellar looks and performance in any setting,
both around town and in the great outdoors.

STYLING

The exterior and interior are designed to stand out aesthetically and maximise functionality. The result is a unique vehicle that you'll be proud to own and pleased to use.

FEATURES LIST

APPEARANCE

HID headlamps with leveling device (25Watt)
 Projection headlamps
 Chrome coated radiator grille
 Rubber blade windscreen wipers
 Rear spoiler with high mounted stop lamp
 16" alloy wheels with 225/ 65R tyres
 17" alloy wheels with 235/60R tyres (2WD Only)
 17" Diamond cutting wheels with 235/60R tyres (4WD Only)
 Full size spare tyre
 Body coloured exterior mirrors
 Body coloured exterior door handles
 Side repeater indicators on wings
 Chrome inserted door bright moulding
 Chrome inserted body side moulding
 Stainless steel door scuff plate
 Styled roof rack
 Roof mounted pole aerial
 Powered sunroof with anti-trap
 Mudflaps

SAFETY

Monocoque body with integral front & rear sub-frames to absorb frontal and offset impact and enhance NVH
 Front airbags, seatbelt load limiters and pre-tensioners
 Side airbags
 Electronic brake-force distribution anti-lock brake system (EBD ABS)
 Electronic Stability Programme (ESP) with Emergency Brake Assist (EBA) and Active Roll-over Protection (ARP)
 ISO-FIX and tether anchorage for child seat (7seater)
 Electrochromic rear-view mirror
 Rear obstacle warning system with 3-stage alarm
 Childproof safety door locks

Remote Keyless Entry System (REKES) with anti-theft alarm (Gasoline only)
 Folding key type remote keyless entry system with panic alarm
 Immobiliser
 Front & rear fog lamps
 Headlamp leveling to maintain maximum illumination
 Speed-sensitive door locks
 Door courtesy lamps
 Powered windows for driver, one-touch operation
 Collapsible steering column
 Tyre Pressure Monitoring System (TPMS)

INTERIOR

Tiffany grey or Sepia beige interior colour with wood grain
 Wood grain accent on fascia, console and door trim
 Centre gauge cluster
 Floor mats
 Dashboard lower tray
 Leather and wood grain automatic transmission knob
 Leather manual transmission knob
 Easy-to-read "Supervision" cluster
 Trip computer
 Map pockets inside doors

CONVENIENCE

2DIN MP3/CD player
 7" high-resolution touch screen with audio streaming and link to rear view camera and smart phone
 Front view camera with 7" touch screen audio
 Steering-wheel-mounted audio system controls
 USB memory slot, Aux. Port and HDMI port
 Bluetooth system
 6 speakers
 "Eco" cruise control
 Leather covered, heated steering wheel

Blue-tinted outside door mirrors that can be electrically adjusted, folded and heated
 Gas-filled struts for bonnet and tailgate
 All-round tinted glass
 Solar controlled glass for windscreen and front door windows
 Privacy glass for rear windows, quarter panel and tailgate glass
 Rain sensing wipers (Diesel only)
 Automatic headlight control system (Diesel only)
 Heated tailgate window
 Battery saver
 Deluxe centre console with cup-holder
 USB charger and power outlet on the rear of center console
 Overhead console
 Sunvisor with vanity mirror and illumination
 Portable ashtray
 Luggage hook (7seater)
 Toolbox in cargo bay
 Sunglass holder
 Windscreen wiper de-icer
 Manual seatbelt height adjustment on "B" pillar
 Open tray on the inside panels of rear 2nd row

MECHANICAL

178ps 2.2 litre e-XDi diesel engine with CDPF
 155ps 2.0 litre e-XDi diesel engine with CDPF (Euro 5)
 155ps 2.0 litre e-XDi diesel engine without CDPF (Euro 4)
 220ps 3.2L Silky-six petrol engine
 6-speed manual transmission with gear shift indicator
 Gear shift indicator with manual transmission (Available with Euro 5 and Euro 6)
 E-Tronic 5-speed automatic with Winter Mode safety feature (Mercedes-Benz)
 Gearshift knob switch for more dynamic driving response
 E-Tronic 7-speed automatic with Winter Mode safety feature (Mercedes-Benz) with 2.2L diesel engine

Part-time 4WD with shifting on the move
 Double-wishbone front suspension with coil springs
 Multi-link rear suspension system
 Gas shock absorbers
 80-litre fuel tank
 Hydraulic power steering
 Speed sensing power steering
 Manual tilt steering
 Foot-operated parking brake
 Ventilated disc brakes on all wheels

SEATS

8-way adjustable driver's seat
 Heated in 1st row seats
 Seat-back table for 2nd row seats
 7 seater - 2 / 2 / 3 seat arrangement
 - Removable 3rd-row
 9/11 seater - 2 / 2 / 2 / 3 seat arrangement for 9 seater
 - 2 / 3 / 3 / 3 seat arrangement for 11 seater
 - Double-folded forth seat

Woven seat covers available on beige and grey
 TPU (thermoplastic polyurethane) seat covers
 Luxurious leather seat covers for comfort
 Tilting headrest for 1st-row seats

AIR CLIMATE

Positive temperature coefficient (PTC) heater
 Dual air conditioning systems with manual controls
 Dual automatic air conditioning systems with temperature sensor and outside temperature gauge
 Rear vent duct for improved air circulation
 Air quality control system (AQS)
 Air filters to ensure interior air stays fresh

* Some of features may be optional or not be available according to market. Please, contact your local dealer for the exact details regarding vehicles sold in your area.
